

International Forum of Independent Audit Regulators

PRESS RELEASE

New Members

The International Forum of Independent Audit Regulators has admitted as Members the Dubai Financial Services Authority, the Capital Market Authority of Egypt and Auditor Ir Apskaitos Tarnyba (Authority of Audit and Accounting of the Republic of Lithuania), thus bringing the membership up to 31 jurisdictions.

30th March 2009

Note for editors

IFIAR was established by independent audit regulators in 2006 to share knowledge of the audit market environment and practical experience of independent audit regulatory activity, to promote collaboration in regulatory activity, and to provide a focus for contacts with other international organisations which have an interest in audit quality. Further information about IFIAR can be found at www.ifiar.org.
